Established performers and artists, as well as emerging young talent, will be a part of Only in Hollywood 2016.

ABOUT: Make Music Los Angeles at Hollywood & Vine is part of **Make Music Los Angeles**. Based on France's *Fête de la Musique*, a national musical holiday inaugurated in 1982, the festival has become a phenomenon celebrated on the same day in more than 800 cities in 110 countries. Make Music LA engages all communities of Los Angeles in an annual cross-cultural celebration of the power of music and art through musical performances by amateurs, students and professionals.

The Hollywood Entertainment District supports Make Music Los Angeles at Hollywood & Vine and the Only in Hollywood Music + Arts Festival to shine a spotlight on the vibrant creative community in Hollywood neighborhoods.
